Canyon Ridge® Collection Modern Series Plank Design: Shown in Dark Finish with Mahogany Cladding and 35” x 6” Windows Down Right Side (from inside garage looking out) (Model CRM2CD).
CANYON RIDGE®
collection

MODERN SERIES
Canyon Ridge® Modern Series faux wood garage doors are constructed from a durable, low-maintenance, composite material that won’t rot, warp or crack.

As versatile and realistic-looking as natural wood but requiring far less upkeep, the Modern Series door designs feature key elements of contemporary architecture: clean, horizontal lines with mid-century appeal, sleek window styles and aluminum accents.

These faux wood doors are a perfect complement to other natural materials and textures on your home’s exterior.

Plank Design
A horizontal plank door becomes interesting when you add the contrasting texture of smooth frosted glass.

Metal (Aluminum) Inlay Design
Combining materials like metal and wood is a creative way to add visual interest and dimension to the outside of your home.

Full-View Design
Large expanses of glass let daylight into the garage carrying the open concept feel of contemporary home plans all the way to the garage.
faux wood.
REAL MODERN.

CANYON RIDGE® COLLECTION
MODERN SERIES

intellicore®
insulation technology

Canyon Ridge® Modern Series doors featuring Intellicore® insulation technology represent the ultimate smart choice for homeowners. Clopay’s Intellicore® is a proprietary polyurethane foam that is injected into a garage door, expanding to fill the entire structure. The result is a door with incredible strength and durability. Its dense insulation also produces a quieter door, while its industry-leading R-values (up to 20.4) provide year-round comfort and improved energy efficiency.

WARMER
Energy efficiency provides year-round comfort

QUIETER
Dense insulation reduces noise by up to 16 decibels

STRONGER
Enhanced strength resists everyday wear and tear

### Cladding Materials

- Clear Cypress
- Mahogany

### Colors

- Walnut Finish
- Dark Finish
- Medium Finish
- Slate Finish
- Black Finish
- Whitewash Finish
- Primed (No Finish)

Cladding is finished in the same color. Black and Whitewash Finish available only on Mahogany Cladding. Doors can be ordered Primed for those homeowners wishing to custom paint or stain their doors. Door stain color will vary slightly within a door due to finishing process. Due to the printing process, above colors may vary.

### Window Options

**14” × 6”**

**35” × 6”**

Illustrations below are examples of window configurations. Both window sizes are available on single car and double car doors.

### Glass Options

For doors with windows, insulated tempered glass is standard. Insulated Frosted, Insulated Obscure and Insulated Rain glass is also available.

- Clear
- Frosted
- Obscure
- Rain

### Popular Window Configurations

Configurations are illustrated from outside garage. When ordering, window locations are identified from inside garage looking out. Please keep in mind to avoid windows ordered in incorrect location.

FINISHING AND CARE

Proper care and maintenance are imperative for long-term performance and appearance of Canyon Ridge® Collection doors. Periodic inspection and maintenance of the composite cladding and overlays are required. Minor expansion and contraction is normal for exterior building materials exposed to direct sunlight and is not considered a defect. Complete finishing and maintenance instructions are provided with the door and are also available from your Clopay Dealer or online at www.clopaydoor.com

ENVIRONMENTAL ASSURANCE

Clopay doors are compliant with environmental laws and regulations. Clopay doors do not contain HFCs. All Clopay doors are compliant with:

- California SB 1013
- Washington HB 1112 – Hydrofluorocarbon Greenhouse Gas Emissions
- Canadian regulations amending the ozone-depleting substances and halocarbon alternatives regulations

ADDITIONAL FEATURES

- Replaceable vinyl bottom weatherseal in a rust-resistant aluminum retainer helps seal out the elements.
- 10-ball nylon rollers for quiet operation.
- Heavy-duty 14 gauge steel hinges for long-lasting performance.
- Patented Safe-T-Bracket® prevents serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- Product complies with 2015 IECC air infiltration requirement of 0.40 cfm/ft² or less (IECC, Section C402.5.2).

DECORATIVE HARDWARE

Attractive black powder coated grip handles and step plates are provided standard. Optional aluminum grip handles are available in the following colors to provide a contemporary look.

Standard

- Spade Step Plate
- Spade Lift Handles

Optional

- Clear Aluminum (Anodized)
- Standard White
- Bronze (Painted)
- Chocolate (Painted)
- Bronze (Anodized)
- Black (Anodized)
- Dark Bronze (Anodized)

Due to the anodizing process, color variation may occur. The use of “Bronze (Painted)” is recommended for a more consistent bronze finish color. Custom colors available.

Clean Aluminum complements the color of the Metal Inlay doors. Other colors are designed to complement design aspects of the home.

For more detailed product specification information or availability of our Canyon Ridge® Collection Garage Doors, please contact your Clopay Dealer. To locate a dealer to help you select the right door for your home, just go to www.clopaydoor.com/dealer or call 1-800-2CLOPAY (225-6729).
