CANYON RIDGE® collection
LIMITED EDITION SERIES | ULTRA-GRAIN® SERIES

Canyon Ridge® Collection Limited Edition Series Design 13; Shown in Dark Finish with Mahogany Cladding, Mahogany Overlays and REC13 Window Design (Model CAN213MMREC13).
CANYON RIDGE® collection

Clopay offers a complete portfolio of design options for homeowners who love the look of wood, but not the upkeep.

Constructed in durable, low-maintenance steel and composite, these faux wood alternatives offer the best of both worlds – the realism and beauty of a natural stained wood appearance combined with the strength and energy efficiency of insulated steel.

Clopay’s extensive selection of faux overlays, designs, windows, decorative hardware and finish colors can complement any home style and budget.

Limited Edition Series
This time-tested, carriage-house design meets the modern strength of steel and composite, providing a warm authentic look and high durability.

NEW Limited Edition Louver Designs
Perfect for coastal beach homes to colonial estates. These plantation shutter inspired designs are a perfect accent piece.

Ultra-Grain® Series
Low-maintenance Ultra-Grain® steel is covered with a composite overlay, molded from actual wood pieces for a natural look.

Canyon Ridge® Collection doors featuring Intellicore® insulation technology represent the ultimate smart choice for homeowners. Clopay’s Intellicore® is a proprietary polyurethane foam that is injected into a garage door, expanding to fill the entire structure. The result is a door with incredible strength and durability. Its dense insulation also produces a quieter door, while its industry-leading R-values (up to 20.4) provide year-round comfort and improved energy efficiency.

**WARMER**
Energy efficiency provides year-round comfort

**QUIETER**
Dense insulation reduces noise by up to 16 decibels

**STRONGER**
Enhanced strength resists everyday wear and tear
Canyon Ridge® Collection Limited Edition Series doors are constructed of an energy efficient, durable steel core and finished with full composite cladding and overlays that have the appearance of authentic wood doors.

The cladding and overlay materials are molded from actual wood pieces to reproduce the natural texture and intricate grain patterns of the species they emulate. These two layers are attached to an Intellifire® polyurethane insulated steel door for added strength and energy efficiency. Louver cladding is available on Series 5 door designs.
CANYON RIDGE® COLLECTION ■ LIMITED EDITION SERIES

MATERIAL DESIGN OPTIONS

Composite Cladding Materials

| C | Clear Cypress (Series 1–3) |
| M | Mahogany (Series 1–3) |
| P | Pecky Cypress (Series 1–3) |
| L | Louver Mahogany (Series 5) |

Composite Overlay Materials

| C | Clear Cypress |
| M | Mahogany |

Note: Cladding and overlay material options may be mixed and matched.

An attractive and more economical alternative to the Limited Edition Series, this door features a 2" Intelliecore® polyurethane insulated steel base door with Ultra-Grain®, a durable, natural-looking, woodgrain paint finish. Stained Clear Cypress composite overlays are applied to the steel door surface to create beautiful carriage house designs.
Materials and Design Options

- **Ultra-Grain® Steel Base Door**
- **Ultra-Grain® Clear Cypress**
- **Composite Overlay Material**

**Note:** Cladding is not present on Ultra-Grain® Series Models.

N = No cladding.

Colors

- Ultra-Grain® Cypress Medium Finish
- Ultra-Grain® Cypress Walnut Finish
- Ultra-Grain® Cypress Slate Finish

Composite overlays and window grilles are finished in the same color as the Ultra-Grain® base door. Door stain color will vary slightly within a door due to finishing process. Due to the printing process, above colors may vary.

FINISHING AND CARE

Proper care and maintenance are imperative for long-term performance and appearance of Canyon Ridge® Collection doors. Periodic inspection and maintenance of the composite cladding and overlays are required. Minor expansion and contraction is normal for exterior building materials exposed to direct sunlight and is not considered a defect. Complete finishing and maintenance instructions are provided with the door and are also available from your Clopay Dealer or online at www.clopaydoor.com

ENVIRONMENTAL ASSURANCE

Clopay doors are compliant with environmental laws and regulations. Clopay doors do not contain HFCs. All Clopay doors are compliant with:
- California SB 1013
- Washington HB 1112 – Hydrofluorocarbon Greenhouse Gas Emissions
- Canadian regulations amending the ozone-depleting substances and halocarbon alternatives regulations

ADDITIONAL FEATURES

- Replaceable vinyl bottom weatherseal in a rust-resistant aluminum retainer helps seal out the elements.
- 10-ball nylon rollers for quiet operation.
- Heavy-duty 14 gauge steel hinges for long-lasting performance.
- Patented Safe-T-Bracket® prevents serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- Product complies with 2015 IECC air infiltration requirement of 0.40 cfm/ft² or less (IECC, Section C402.5.2).

DECORATIVE HARDWARE

Attractive black powder coated grip handles and step plates are provided standard to further enhance the carriage house design. Optional antique black iron hardware, including handles, operable L-keylocks and strap hinges, are available to provide the look of a classic carriage house door.
