GALLERY® STEEL garage doors 3-LAYER CONSTRUCTION

America's Favorite Garage Doors®

GALLERY® STEEL

The Gallery[®] Steel three-layer construction provides exceptional strength, energy efficiency and dent resistance as well as a beautiful carriage house appearance. The 2" or 1-3/8" thickness of Intellicore[®] polyurethane or bonded polystyrene insulation and thermal break makes these doors heat and cold resistant while the tongue-and-groove joint helps seal out wind, rain and snow. Available in short and long panels with multiple window options, the three-layer Gallery[®] Steel is virtually maintenance-free, so the first fabulous impression becomes a lasting impression.

Calculated door section R-value is in accordance with DASMA TDS-163. Models with Ultra-Grain® finish and Black paint options are 25 gauge steel.

insulation technology

Warmer. Quieter. Stronger.

Gallery® Steel garage doors featuring Intellicore® insulation technology represent the ultimate smart choice for homeowners. Clopay's Intellicore® insulation is a proprietary polyurethane foam that is injected into a garage door, expanding to fill the entire structure. The result is a door with incredible strength and durability. Its dense insulation also produces a quieter door, and with one of the industry's leading R-values of 18.4, it provides year-round comfort and improved energy efficiency. Smart, indeed.

VINTAGE style with updated APPEAL

Model GD1LU; Shown in Ultra-Grain[®] Oak Slate Finish with Grille on ARCH1 Windows

COLORS

- Exterior steel on standard color doors has a natural woodgrain texture.
- Doors can be painted to match the home's exterior using a high-quality latex exterior paint. Do not use oil-based paint.

*Additional charges apply. Due to the printing process, colors may vary.

CUSTOM PAINT OPTION

Color Blast® finish offers more than 1,500 Sherwin-Williams[®] color options to complement your home. Clopay's durable two-part paint system has been thoroughly tested and is backed by a five-year warranty.

ULTRA-GRAIN® FINISH OPTION

Dark Finish

Ultra-Grain® Oak Medium Finish

Walnut Finish Slate Finish

- Painted steel surface simulates a real stained door without the need of staining and the ongoing maintenance of wood.
- Oak woodgrain runs horizontal on stiles and vertical on panels for an authentic, natural look.
- Available in Medium, Dark, Walnut or Slate finishes that complement Clopay Entry Doors, shutters and other exterior stained wood products.
- Exterior steel surface on an Ultra-Grain® finish door has a stucco texture to create a more natural woodgrain appearance.
- Window frames, grilles and inserts are color matched to coordinate with the Ultra-Grain® finish patterns. All window options are available. Additional charges apply.

LUSTRA[™] FINISH

Lustra™ finished garage doors feature a Black or Charcoal matte look, while Silver has a brushed metallic look. Door exterior has a smooth textured steel surface.

- These modern doors feature thick 24 gauge surface steel.
- Lustra[™] finished doors cannot be painted.

Additional charges apply Not available on Models GD1SU, GD1LU, GD2SP, GD2LP, GD1SP and GD1LP.
