The Grand Harbor® Collection

Enhance the classic details of your home without breaking your budget.

When budget is the deciding factor, this low-maintenance, insulation-optional steel frame carriage house style garage door combines clean lines and classic charm to provide a popular style at a great value.

Accented with decorative black wrought iron hardware, these doors have the appearance of a swing-out door, but offer the convenience of modern overhead operation.
Solid Top Sections
Solid top sections in rectangular, square and arch designs provide more design options to complement new home styles.

Faux Top Sections
Faux top sections create the illusion of a window by using a solid dark gray steel background with arch, square and rectangular grille overlays. Provides added security while creating the appearance of a real window.

Glazed Top Sections
Glazed top sections in clear or obscure glass and snap-in grilles create square and rectangular designs. Wrought iron windows feature a black iron-look design on a seeded-look acrylic that provides an Old World European style to complement light fixtures, entry doors and other decorative features.

Note: All glazed top sections available up to WindCode® W1. Short glazed top sections, SQ22, plain short and wrought iron short (WIS) available up to WindCode® W6.

Additional charges for optional glass apply.
